Katie Pederson — “Modern Improv Strip Piecing” IN PERSON

Friday, April 14, 2023 9am—4 pm \$75. Member \$95. non-Member

Refine your improvisational quilting skills in this modern quilt block workshop. By merging one construction method with multiple string piecing techniques we'll simultaneously create large string blocks and mitered log cabin blocks that appear both chaotic and controlled. Design one quilt or two with your blocks.

We'll touch on fabric options, placement and the unlimited design potential to make a finished original quilt. Katie will have multiple inspiring examples of how you and these quilt blocks can play together. All level of sewists welcome.
